

Natalia Nogueira

ARTIST
ILLUSTRATOR
PRINT DESIGNER

I'm Natalia Nogueira, an argentinian artist, illustrator and print designer based in Madrid.

My inspiration comes from everything that surrounds me, colors and fragrances, childhood memories and fantastic dreams.

My wish is that my work reflect feelings of joy, happiness and love. I am passionate about drawing flowers, plants, animals and people.

The absurd and ironic amuses me so much.

All my sketches are done freehand, I prefer to make my final works using digital art programs

**I hope you find in my designs what you are looking for your projects.
Customization & licensing available.**
